Tutorial: Getting Started

The screenshot shows a user interface for the 'Getting Started' tutorial. At the top, there is a blue button labeled 'Start moving' with a right-pointing arrow. Below this is a grey header labeled 'Step Index' with a plus sign on the right. The main area contains a list of 11 steps, each with a blue circle containing a number and the step name:

- 1 Start Moving
- 2 Add a Sound
- 3 Start a Dance
- 4 Again and Again
- 5 Say Something
- 6 Green Flag
- 7 Change Color
- 8 Key Press
- 9 Add a Background
- 10 Add a Sprite
- 11 Explore!

Tutorial: Make Music

The screenshot shows a user interface for the 'Make Music' tutorial. At the top, there is a grey header labeled 'Make Music'. Below this is a grey header labeled 'List of Steps' with a plus sign on the right. The main area contains a list of 12 steps, each with a blue circle containing a number and the step name:

- 1 Pick a Drum
- 2 Play the Drum
- 3 Make a Rhythm
- 4 Make It Repeat
- 5 Animate the Drum
- 6 Play an Instrument
- 7 Make a Melody
- 8 Add a Chord
- 9 Add Vocals
- 10 Play Random Notes
- 11 Record Sounds
- 12 Keep Playing
