

# Technology News Article

Choose one of the articles listed on the homepage of the class website:

## **In your Google Drive folder you will**

1. Create a document and name it news\_article\_december
2. Write one paragraph that tells us what the article said - put this into your own words - this part should be at least 4-6 sentences long
3. Write a second paragraph that tells us your opinion. Are there beneficial or harmful aspects to this technology? What is your overall opinion of the article and technology described. This part should also be at least 4-6 sentences long.
4. Use the EasyBib add-on to create a **complete MLA citation**.
