

Photowork Assignment: Rule of Thirds

Rule of Thirds

1. Read [this article](#) which helps to understand the Rule of Thirds with examples and information. Note that the “Rule” is really more like a general guideline.
2. Take several photos that demonstrate the theory of Rule of Thirds in composition.
3. Create a blog post for this assignment:
 - Title the post: Rule of Thirds
 - Upload at least 2 images that demonstrate use of this technique
 - Write a paragraph explaining how you used the rule of thirds in each image, and your thoughts on how the images came out.
